What is the purpose of this document?

This Cookie Policy is designed to provide you with clear and accessible information about the cookies used by Ricta Technologies S.R.L. on the Bricobrowser platform at https://www. bricobrowser.com.

Ricta Technologies S.R.L. (hereinafter "we", "us" or similar) is a Romanian limited company, whose registered office is in Lujerului Street, no 10, District 6, Bucharest, Romania, registered with the Bucharest Trade Registry under number J40/2684/2020, tax code 42312660.

When you are using the Bricobrowser application (hereinafter the "Product") or access https://www.bricobrowser.com website (hereinafter the "Website") and together are constituting "Bricobrowser platform", we collect and process several categories of personal data from you as representative of our client ("Client" or "you").

For further information on how we use, store, and otherwise process personal data, please refer to our Website Privacy Policy and Client Privacy Policy. If you have any questions about this Cookie Policy, please contact us at: privacy@bricobrowser.com

By continuing to browse our Website https://www.bricobrowser.com and any other subdomain *.bricobrowser.com, you are agreeing to our use of cookies for the purposes specified herein.

What are cookies and why do we use them?

A cookie is a small text file that can be automatically placed on your computer, mobile or any other device when you access or otherwise use the Website or Services and further recalled by a web server that placed the cookie.

Some cookies can be created by our authentication service, solely to manage access to the personal area.

What type of cookies there are and which ones we use?

We use different types of cookies:

- **Strictly necessary cookies**. These are cookies that are required for the operation of the Website. They include, for example, cookies that enable you to log into secure areas of the Website. The essential cookies do not collect your data that could be further used for marketing purposes. Should you opt to block the essential cookies in your web browser, then you may be prevented from accessing or using the Website and Services provided by us.
- **Analytical/performance cookies**. We do not have analytical cookies

How can you manage cookies on your device?

You can adjust the privacy settings in your browser to block all cookies; however, this could severely affect your browsing experience as many websites may not function properly. Your browser may allow you to delete all cookies upon closing your browser. This option, though, results in persistent cookies getting deleted that may store your preferences and personalized
